### **What kind of merchandise will you accept for sale?**

We accept most items, but there are some exceptions. We, of course, will not have large items, such as boats, hot tubs, and console televisions in the store.

Some items, such as ceiling light fixtures and luggage, have proved to be poor sellers in our store and might be best sold elsewhere.

We reserve the right to refuse items. If we are overstocked in a particular area, we may put you on a waiting list.

---

### **What condition must the merchandise be in?**

Items should be clean and electronics in working order. We will not accept broken or damaged merchandise.

---

### **How do I get my merchandise to The Balderdash Collection?**

We do not accept items from walk-ins.

Contact us via phone, email, or drop by the store to discuss what you have. Once we come to an agreement to sell your items, we can set up an appointment for you to bring them to the store or, for an increased commission, we will pick them up.

---

### **What is your return policy?**

All sales are final, no returns will be accepted.
